

I Recall A Gypsy Woman
recorded by Don Williams
written by Bob McDill and Allen Reynolds

G C G D7
Silver coins that jingle jangle fancy shoes that dance in time

G C G D7 G
Oh the secrets of her dark eyes they did sing a gypsy rhyme

C G D7
Yellow clover in tangled blossoms in a meadow silky green

G C G D7 G
Where she held me to her bosom just a boy of seventeen

C G D7
I recall a gypsy woman silver spangles in her eyes

G C G D7 G
Ivory skin against the moonlight and the taste of life's sweet wine

C G D7
Soft breezes blow from fragrant meadows stir the darkness in my mind

G C G D7 G
Oh gentle woman you sleep beside me and little know who haunts my mind

C G D7
Gypsy lady I hear your laughter and it dances in my head

G C G D7 G
While my tender wife and babies slumber softly in their bed
